

Report on the status of safety for the year – 2007-08.

Safety inspections and safety committee meetings are being held regularly in our mines. Safety propaganda by way of Pit Top safety talk and display of posters at prominent places on mines were organised by Sr.Mining officials. Regular V.T.Training is being held. Workman Inspectors are inspecting work places and the violations points out by them are being attended by Mine Managers.

Regular occupational health check ups are being done as per the guide line of DGMS.

During the year MOIL has bagged three prestigious “**President Awards**” for achieving lowest Injury Rate for following three Mines:-

<u>Name of the Mine</u>	<u>Category</u>	<u>Award</u>
Dongri Buzurg Mine	O/C – 2006	1st
Kandri Mine	U/G – 2006	2nd
Beldongri Mine	O/C Manual-2006	2nd
