

INVITATION FOR EXPRESSION OF INTEREST ON BUSINESS EXPANSION WITH MOIL LIMITED.

MOIL OVERVIEW

MOIL Limited is a Government undertaking under the administrative control of the Ministry of Steel. Being India's single largest producer of manganese ore, presently producing about 1.1 million tons of manganese ore, MOIL has made valuable and substantial contribution to the National efforts in the mineral sector during the last five decades and has been accorded the status of Miniratna Category-I Public Sector Company. Details on the activities of MOIL are available in the Company's Website <http://moil.nic.in>.

INTENT OF MOIL

In recognition to the Company's growing status and consistent excellent performance, MOIL plans to go for exploitation of manganese ore and other metalliferous minerals for which MOIL is looking forward for leases / buy properties from foreign countries directly / under Special Purpose Vehicle / Joint Ventures etc.

INVITATION OF PROPOSAL

MOIL invites proposals from owner's of mineral concessions or their Merchant Bank for participation of MOIL in development of their resources. Further MOIL invites proposals on mutually advantageous potential investment opportunities primarily for manganese ore and other minerals both within India and globally. Such Investment Opportunities may include but not limited to:

1. Greenfield and Brownfield opportunities.
2. Joint venture for Development of Resources or otherwise.
3. Any other proposal of participation in value addition / expansion/ diversification in line with present business of MOIL.
