

## **MOIL COMMISSIONS GRID CONNECTED ROOF TOP PV SOLAR POWER PLANT WITH NETMETERING AT MOIL BRAWAN, NAGPUR**

In order to promote green energy. Shri G.P. Kundargi, Chairman cum Managing Director of MOIL Limited. Nagpur has inaugurated 48 KW capacity Grid Connected Roof Top PV Solar Power Plant with Net-metering at MOIL Bhawan, Nagpur on 31-08-2016. It is first grid connected with net-metering rooftop solar plant installed on corporate office building in Maharashtra. The total cost of project was Rs.31 Lakhs and total estimated generation shall be 71,000 KWH. Anticipated saving in electricity bills is Rs.10 Lakhs/year.

This project is in line with Govt. policy to promote non-conventional energy and to install on rooftop solar power plants on Govt./PSU building to reduce the dependency on fossil fuels & reduction in carbon emission. MOIL has successful commissioned the project well in time with full cooperation of MEDA and SNDL

Shri Mukund Chaudhari, upcoming CMD & Director (Fin.), Shri T.K.Patnaik, Director (Comm.). Shri Nitin Chayande, CVO. Shri Deepankar Shome. ED (Tech.). Shri R.S. Verma. President MEA and Shri Ramavtar Devangan, General Secretary, MOIL Kamgar Sangathan were also present during ceremony.
