

Sub: Offer for Sale of Ferro Grade Ore along with SMGR (Mn-25%) for Ferro Alloys Manufacturers (having submerged arc Furnaces) only for the Quarter Jan-Mar 2026.

Dear Sir,

We would like to inform you that MOIL intends to offer Ferro grades ore combined with SMGR (Mn-25%) for **manufacturers of Ferro alloys** only in **Direct Sale for supplies during the quarter Jan-Mar 2026.**

1. Since this offer is only for **manufacturers of Ferro alloys**, the prospective buyers has to submit the proof as a Ferro Alloys manufacturer having the furnace(s) mentioned in EC/Memorandum of article/Article of association or any other government document indicating as Ferro Alloys manufacturer. **The demand from the manufacture of Ferro Alloy shall be considered for allotment against the receipt of relevant document as a proof of Ferro Alloys manufacturer along with the demand.**
2. The details of combination and quantity available of Ferro grade and SMGR (Mn-25%) for sale is as under:-

Sr. No	Ferro	Qty.(Mt)	25% Mn	Qty. (Mt)
1	GM4516	2000	GML464	2000
2	GM4552	2000	GML464	2000
3	MS4525	1200	GML464	1200
4	UK4571	2990	SPL463	2990
	Total	8190		8190

3. The allocation for each above Ferro grade will be as per existing allotment policy.
4. The equal quantity of 25% Mn is to be accepted against the allotted quantity of the Ferro grade. Buyer has to sign the contract for allotted quantity of Ferro grade along with the allotted quantity of SMGR(Mn-25%).
5. The prevailing price and discounts shall be applicable on the date of dispatch.
6. **MOIL reserves the right to revise the prices at any time** during the contract period.

7. **Example of allotment:-**

- a. In case, the allotment of 200 MT of GM4516 is made, then the buyer has to accept equivalent quantity of GML464.
 - b. In case, the allotment of 200 MT of GM4552 is made, then the buyer has to accept equivalent quantity of GML464.
 - c. In case, the allotment of 200 MT of MS4525 is made, then the buyer has to accept equivalent quantity of GML464.
 - d. In case, the allotment of 200 MT of UK4571 is made, then the buyer has to accept equivalent quantity of SPL463.
8. Buyer has to lift both SMGR (Mn-25%) and Ferro grade. Buyer has to ensure the lifting of SMGR (Mn-25%) along with Ferro grade.
9. While submitting the demand, buyer will submit the self-attested certified copy of supporting documents as mentioned in point no.1 as Ferro Alloys manufacturer, else demand will not be considered.
10. Interested buyers are requested to submit their ore requirements through the **Customer Portal** at <https://moillimited.co.in/moilcrm> (email for new buyers) and forward the supporting documents through e-mail to the following e-mail address **on or before 05.03.2026 by 05:15 PM or can submit the demand on below mentioned email id.**
- E-mail ID: rppatil@moil.nic.in**
11. Buyers are also requested to kindly **confirm telephonically** the receipt of their requirement with MOIL after sending the same by e-mail or submission in the customer portal.
12. **MOIL will sign the contract/issue amendment to the existing contract as per the existing terms and conditions of the contract for direct sale. The terms mentioned in this offer letter shall be the part of the contract.**
13. MOIL has full rights to stop dispatches for nonfulfillment of this offer letter.
