Dear Sir,

This is in continuation to letter No. CS/NSE-BSE/2015-16/259 dated 17.08.2015. In this regard, it is to mention that MOIL is continuously exploring manganese ore deposits within its mining leases. The cumulative exploration has resulted in proving of Bed (Insitu) ore resources, inclusive of Reserves.

Exploration is a continuous process and MOIL is carrying out drilling activities by applying United Nations Framework Classification (UNFC) system. As a result of extensive exploration done by the company, the reserves and resources of the Manganese ore have increased to 81.47 million tonnes when compared to last reported figure of 77.38 million tonnes, registering an increase of 4.09 million tonnes of reserves and resources.

This is for your kind information.

Thanking you,

Yours faithfully,  
For MOIL Limited

Neeraj Dutt Pandey  
(Company Secretary)
