

## MOIL - Delegation of Powers

MOIL - Delegation of Powers are divided into two sections:

1.0 General Powers: Dealing with matters pertaining to Administration, Purchase, Miscellaneous & Contingencies and Disciplinary Powers in all departments. The powers have been delegated to the executives of different departments.

2.0 Functional Powers: Dealing with matters pertaining only to the concerned functional areas. This delegation has been given to the Executives in the concerned Functional Departments.

The exercise of the powers is subject to the budget provision, concurrence of Finance Department., provisions of Companies Act,2013, as amended from time to time, the Memorandum and Articles of Association of the Company, the cannons of financial propriety, the rules in force and the general policy, as may be laid down from time to time. Further, any other Office Orders issued as a result of austerity measures or on other matters concerning DOP with the approval of competent authority from time to time, shall be overriding the existing DOP.

As the Delegation of Powers is the internal arrangement for smooth functioning of day to day operations of the organization, Delegation of Powers are not accessible and not open for public inspection.
